Let’s explore together the month of September!

It’s back to school and back to programming beginning Sept. 5.
The storyline schedule has resumed its regular age group divisions and times. This month, we look forward to working with you, exploring the beginnings of autumn and the wonders the fall provides with our programs, activities and decorations. September is also the library card sign-up month. Even though CCSD students have access to the many services the library offers, it is always a good idea to apply for your own library card. A library card empowers you and your child to make changes and access the library world with a different perspective.

Please email us at MTP-ChildrensServices@ccpl.org if you have questions or suggestions.
